

WELCOME MESSAGE

Greeting from AICNU Organising Committee

On behalf of the organizing committee, we would like to invite you for the 10th Apollo International Clinical Nutrition Update (AICNU) 2018, which will be held in Chennai, India. Today's Clinical Dietitians are challenged to stay abreast of current science in an ever-changing Clinical Nutrition environment to ensure their advice is grounded in the latest evidence. To address the need of health professionals to be effective knowledge managers with ready access to timely, current and authoritative guidance on medical nutrition therapy questions encountered in every day clinical practice.

Under the theme "Enhancing Clinical Nutrition Practice", the AICNU 2018 programme will cover all areas related to clinical nutrition. The Conference will provide a platform for all participants to take full advantage of the many opportunities for formal and informal interaction with colleagues from all over the world, sharing knowledge of the most recent advances in technology, education and research in the field of clinical nutrition.

The AICNU organizing committee members have developed an attractive program that aims to be a landmark in AICNU's continuing effort to share knowledge which helps in improve nutritional care and education. We are delighted to share the 1st announcement of the 10th AICNU 2018 to allow you to schedule your time and to begin working with your group to plan for sessions.
