“Nurturing Excellence in Clinical Nutrition Practice”

WELCOME MESSAGE

Greetings from AICNU Organising Committee

On behalf of the AICNU organizing committee, it gives us immense pleasure to invite you for the 11th Apollo International Clinical Nutrition Update (AICNU) 2019, which is to be held at Indore, India. There is a continuous change in the field of clinical nutrition due to translational research, making it a challenge for Clinical Dietitians to practice effectively. The increasing scientific evidence on the significance of medical nutrition therapy for disease prevention and treatment makes it essential for Clinical Dietitians to be effective knowledge managers.

The theme of AICNU 2019 “Nurturing Excellence in Clinical Nutrition Practice” will cover many areas related to clinical nutrition. This conference will provide an exclusive platform for all participants to take full advantage of the many opportunities to question and discover, break boundaries and redefine, be challenged and inspired by interacting with colleagues and experts in the field of clinical nutrition from all over the world.

The AICNU organizing committee members have developed an attractive program that aims to be a landmark in AICNU’s continuing effort to share knowledge which helps to improve nutritional care and education. We are delighted to share the 3rd announcement of the 11th AICNU, 2019 for you to block your dates and schedule your time.
