

# CERTIFICATE

## Multidisciplinary Critical Care Unit (Apollo Hospitals, Chennai)

has participated in **2014**  
in the annual worldwide **ICU nutrition benchmarking programme**  
and fulfilled the criteria to obtain this certificate.

This unit has contributed information to maintain and improve the quality of  
nutritional care in the **nutritionDay** programme in ICUs worldwide.

**nutritionDay** is a 1-day audit which allows comparison between similar  
hospitals and supports knowledge and awareness on nutritional care  
for ICU patients.
