|-------------------------------------------------------|----------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|
| ABSTRACTS OF DISTINCTION FOR ORAL PRESENTATION | | | |
| 1 | AICNU2017-A227 | Study comparing the efficacy of volume v/s rate based feeding on the basis of aspiration risk assessment and its impact on clinical and nutritional outcomes in ICU patients | Pooja Lakhani, Mumbai |
| 2 | AICNU2017-A204 | Nutribars enriched with Psyllium Husk-a boon for post knee replacement surgeries | Ananya Konar, Bangalore |
| 3 | AICNU2017-A206 | The effectiveness of six months weight loss program on anthropometric and dietary behaviour outcomes among employees in a tertiary hospital in Malaysia | Vatana a/p V.Sundar, Malaysia |
| 4 | AICNU2017-A210 | Obesity and Sleep - Quantitative or Qualitative problems? | Hema Deenadayalan, Chennai |
| 5 | AICNU2017-A194 | New Multidisciplinary Coalition to combat Hospital Malnutrition | Daphnee.D.K, Chennai |
| TOP 10 ABSTRACTS OF AICNU 2017 | | | |
| 6 | AICNU2017-A243 | The 'SUN'- Initiative: Volume-based versus Rate-based Feeding to improve Enteral Nutrition Delivery | Dr.Radha Reddy Chada, Hyderabad |
| 7 | AICNU2017-A219 | Nutritional Knowledge, Attitude and Practice among healthcare professionals managing patients with Chronic Kidney Disease | Dhanalakshmi.R, Chennai |
| 8 | AICNU2017-A216 | Assessment of the Nutritional Status of Children with Intellectual Disability | Afreen Khan, Mumbai |
| 9 | AICNU2017-A270 | Psoas Muscle Area to Predict Mortality in Hospitalized Patients | Ms.Naga Malleswary.A, Hyderabad |
| 10 | AICNU2017-A220 | Addressing malnutrition in acute stroke: When does it matter? | Rajalakshmi P, Chennai |
| 11 | AICNU2017-A274 | Impact of Oral Nutritional Supplement on the outcomes in Children undergoing treatment for Cancer | Silvia sargunam.C, Chennai |
| 12 | AICNU2017-A251 | Parenteral Nutrition: Beyond GUT feeling? Quality improvement initiative "Phase II" | Pheiroijam Verenia Devi, Chennai |
| 13 | AICNU2017-A223 | Use of 3 tools to assess nutrition risk in Intensive care unit | D. Rekha, Chennai |
| 14 | AICNU2017-A215 | Onset of metabolic syndrome in post kidney transplant patients in a tertiary care hospital, Bhuvaneshwar, Odisha | Sunita Sahoo, Bhuvaneshwar |
| 15 | AICNU2017-A233 | Study on the nutritional and functional status of dialysis patients using Subjective Global Assessment (SGA) and Hand Grip Strength (HGS) | Chethana.C, Mumbai |

ABSTRACTS FOR POSTER PRESENTATION

| | | | |
|----|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------|
| 16 | AICNU2017-A260 | Blood pressure and Anthropometry in young females (15-20 years) from Mumbai city | Anuradha Mitra, Mumbai |
| 17 | AICNU2017-A195 | Perception, compliance behaviour & perceived barriers towards fluid overload among haemodialysis patients in Klang valley | Leonard Yap Thien Vern, Malaysia |
| 18 | AICNU2017-A268 | To identify the association between physical activity levels, intake of dietary fibre and fluid among children with Constipation (age group 2-6 years) | Archana Nazre, Karnataka |
| 19 | AICNU2017-A201 | Comparison of nutritional status between vegetarian and non-vegetarian Chronic Kidney Diseases patients | Vineetha Kotian, Manipal |
| 20 | AICNU2017-A225 | Effect of nutrition counselling on metabolic disorders in IT professionals | Vasundhara Padma, Visakhapatnam |
| 21 | AICNU2017-A266 | Assessment of level of Nutritional Awareness Amongst Gym Goers in City of Mumbai | Sargam, Mumbai |
| 22 | AICNU2017-A229 | Multi-dimensional analysis of nutrition deficits and effect of immunonutrition in surgical oncology patients | Reshma. A, Chennai |
| 23 | AICNU2017-A207 | Clinical profiling of a chicken based formula in an Indian Children's hospital | Lekha V S, Chennai |
| 24 | AICNU2017-A212 | To observe the factors associated with the severity of menopausal symptoms, in climacteric menopause and hysterectomy women. | Namratha Pai, Manipal |
| 25 | AICNU2017-A262 | Prevalence of non communicable diseases and correlation to nutritional awareness in community | Moulika Tekumudi, Hyderabad |
| 26 | AICNU2017-A208 | Appraisal of Nutrition knowledge, Attitude and Practice of health care employees | Rajakumari R, Chennai |
| 27 | AICNU2017-A246 | Association of antimicrobials and diarrhea in patients on nutrition support in a multidisciplinary ICU: An observational study | Kiran Deshpande Shukla, Nasik |
| 28 | AICNU2017-A241 | Nutritional "FAST HUG" in Intensive Care Unit | Rajeswari. A, Chennai |
| 29 | AICNU2017-A199 | Feasibility Of Ambulatory Glucose Monitoring(AGM) Amongst Intensive Care Patients in terms of treatment and diet:1st Study In India | Manjari Tamrakar, Madhya Pradesh |
| 30 | AICNU2017-A202 | Estimation of the adequacy of Enteral Nutrition (EN) & its impact on clinical outcomes in critically ill patients evaluated by Nutrition Risk in the Critically ill (NUTRIC) score. | S. Ramya, Chennai |
| 31 | AICNU2017-A209 | L.Reuteri and nutritional therapy in the management of infantile colic | Lekha V S, Chennai |
| 32 | AICNU2017-A255 | Dietary fat intake, erythrocyte membrane fatty acid levels and glycemic control of patients with type 2 diabetes mellitus | Hetal Parekh, Mumbai |
| 33 | AICNU2017-A271 | Assessment of nutritional status using psgna and scan on children undergoing treatment for cancer | Silvia sargunam.C, Chennai |

| | | | |
|----|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|
| 34 | AICNU2017-A253 | Assessment of changes in Nutritional status of esophageal cancer patients receiving chemotherapy | Anam Golandaz, Mumbai |
| 35 | AICNU2017-A238 | Effect of isocaloric and whey protein supplement in muscle strength of bedridden neuro patients | Bhuvaneswari Balasundaram, Chennai |
| 36 | AICNU2017-A224 | Study on weight loss and the factors that influence the weight loss in post bariatric surgery patients. | Dr. Vinitha Krishnan, Chennai |
| 37 | AICNU2017-A261 | Efficient nutritional management of swine-flu patients | G.Kohilarani, Trichy |
| 38 | AICNU2017-A211 | Estimation of target calorie achieved in critically ill children receiving enteral nutrition (EN) and their relationship to clinical outcomes | Lekha V S, Chennai |
| 39 | AICNU2017-A254 | Effect of early enteral nutrition (EN) in critically ill traumatic brain injury (TBI) patients | Saranya R, Chennai |
| 40 | AICNU2017-A234 | Is it critical to feed peptides in critically ill? | Zahira Khathun. A, Chennai |
| 41 | AICNU2017-A236 | Dietitian role in outpatient clinic - patient perception | V.Suganya, Madurai |
| 42 | AICNU2017-A228 | Use of Subjective global Assessment tool in Intensive Care Unit Of Bhatia Hospital for better outcomes | Pooja Thacker, Mumbai |
| 43 | AICNU2017-A230 | Chronically Critically Ill: Continuing Evidence to Clinical Practice | Merlin Roshani C, Chennai |
| 44 | AICNU2017-A272 | A Multicentric study on the knowledge, attitude and practice of women health care employees (WHE) about risk factors of cardiovascular diseases | Dhanalakshmi.R, Chennai |
| 45 | AICNU2017-A247 | Mother's knowledge regarding breast feeding in a tertiary hospital | Sahaya Sanjula Mary .S, Chennai |
| 46 | AICNU2017-A231 | Nutrient intake analysis of hospitalized adult patients a Nutritionday hospital wide survey | V.Suganya, Chennai |
| 47 | AICNU2017-A239 | Management of chemotherapy patients induced Dysgeusia: an important step towards nutritional rehabilitation | Rajeswari .A, Chennai |
| 48 | AICNU2017-A244 | "CRASH" score - Prediction Tool for Chemotherapy Toxicity in Older Adults with Cancer | Bhuvaneswari Balasundaram, Chennai |
| 49 | AICNU2017-A203 | To evaluate the risk of diabetes among non diabetic individuals using Indian diabetes risk score | Champakamala.C, Mysore |
| 50 | AICNU2017-A200 | Nutritional Management of Coronary Artery Bypass Grafting Patients | Chandni Shetty, Manipal |
| 51 | AICNU2017-A232 | Age associated changes in the nutritional status and inflammatory markers of adult patients undergoing orthopaedic surgery | Pooja Thacker, Mumbai |
| 52 | AICNU2017-A249 | To Assess the Nutritional Status of Geriatric patients in a tertiary care hospital | D. Rekha, Chennai |

| | | | |
|----|----------------|-------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------|
| 53 | AICNU2017-A221 | Impact of Oral Nutritional Supplements (ONS) on nutritional status and clinical outcome in elderly | Rekha .S, Chennai |
| 54 | AICNU2017-A250 | Evaluation of Enteral Nutrition(EN) therapy in ventilated Influenza type A virus (H1N1) patients. | S. Ramya, Chennai |
| 55 | AICNU2017-A240 | Dietary habits, Physical activity and Nutritional status among Out Patients | Priya. N, Chennai |
| 56 | AICNU2017-A222 | Nutrition management in critically ill patients a present scenario in down south | V.Suganya, Madurai |
| 57 | AICNU2017-A267 | Traditional dietary practices among postnatal mothers | Dr.Sowmya Prashanth, Karnataka |
| 58 | AICNU2017-A196 | Impact of nutrition on outcome in patients with head and neck cancer (HNC) undergoing concurrent chemoradiotherapy | Anita Jatana, New Delhi |
| 59 | AICNU2017-A264 | A research on origination of Bio- Omega 3 egg | Syeda Afrin Amy, Dhaka |
| 60 | AICNU2017-A265 | To compare and correlate the severity of malnutrition in patients at the critical care unit using subjective global assessment and NUTRIC score | Dr. Vinitha Krishnan, Chennai |
| 61 | AICNU2017-A245 | Role of Sunshine vitamin in body metabolism | V.Suganya, Madurai |
| 62 | AICNU2017-A242 | Biochemical parameters in Nutritional assessment and screening of ICU patients | Rajeswari .A, Chennai |
| 63 | AICNU2017-A226 | An approach towards appropriate prescription of oral nutrition supplement (ONS) | V.Suganya, Madurai |
| 64 | AICNU2017-A214 | Evaluation of nutritional status and nutrient intake of renal calculi patients | Vasundhara Padma, Visakhapatnam |
| 65 | AICNU2017-A205 | Lifestyle and Risk of Cancer: A hospital based report in eastern India | Babita G Hazarika, Kolkata |
| 66 | AICNU2017-A197 | Etiology of Acute and Chronic Pancreatitis and its Dietary Intervention in a Tertiary care Hospital of Eastern India | Babita G Hazarika, Kolkata |
| 67 | AICNU2017-A237 | The effectiveness of nutritional interventions in hospitalized malnourished patients | Silvia sargunam.C, Chennai |
